

# PATINA'S CLOTHING

Restoring Dignity Through Style

---

## Who We Are

Patina's clothing is a nonprofit providing free clothing to individuals transitioning out of homelessness, domestic violence, and crisis. We partner with shelters and agencies across the Bay Area through our Mobile Closet Pop-Up program.

## How It Works

**Mobile Closet Pop-Ups:** Our primary service. We bring curated clothing directly to your facility on a scheduled rotation. Clients shop free items including professional and leisure wear, shoes, and accessories in a dignified, boutique-style setting.

**Urgent Need Referrals:** Partner shelters may refer clients for immediate essentials outside the rotation schedule. These referrals are for urgent needs only: children's clothing, interview attire, diapers, and similar essential items.

**Community Style Stories Contest:** Separate from regular distribution. Selected clients receive a professional styling session, full wardrobe, and photoshoot, and are honored at our annual Charity Gala in September.

**Important:** We do not offer private styling appointments except for Community Style Stories contest winners. All other clothing distribution occurs via Mobile Closet Pop-Ups or urgent referrals.

## Current Opportunities

**Join Our Distribution Rotation:** Be added to our Mobile Closet Pop-Up schedule to receive regular on-site clothing events for your clients.

**Urgent Referral Access:** Partners can submit referrals for clients with immediate needs for children's clothing, interview attire, or diapers.

**Nominate for Community Style Stories Contest:** Identify clients whose journeys of resilience could be celebrated at our September Charity Gala.

## Next Steps

**Connect:** Confirm your program coordinator for client services.

**Schedule:** Join our Mobile Closet distribution rotation and gain access to the urgent referral form.

**Nominate:** Submit clients for consideration in the Community Style Stories contest.
